Kranti Industries Limited Secures Major Order for F28 Balancer Box from CNH Industrial (India) Private Limited

May 24, 2024, Pune: Kranti Industries Limited (KIL), a leading auto ancillary company with a global reputation built on unparalleled precision component manufacturing, is pleased to announce another achievement from CNH Industrial (India) Private Limited. KIL have received a new business Nomination Letter and a purchase order numbered RT 1001406 from CNH Industrial (India) Private Limited, a global leader in capital goods. The Nomination Letter along with a purchase order is for the supply of an F28 Balancer Box, with a total value of approximately ₹1,02,30,010/-, inclusive of the cost of necessary tooling. Also, KIL is excited to announce its expansion into a new product line to meet the needs of this latest order. CNH Industrial operates across domestic and international markets through its 12 esteemed brands, engaging in design, manufacturing, distribution, and financial activities. This accomplishment reflects our commitment to excellence and reinforces our reputation for delivering high-quality products.

We are confident that these developments will propel us towards greater success and reinforce our commitment to delivering excellence to our customers.

Commenting on this new order win, Mr. Sachin Subhash Vora, Chairman & Managing Director of Kranti Industries Limited, said *"I'm pleased to share that Kranti Industries Limited has secured another significant order from CNH Industrial Private Limited for the first quarter of FY25. This achievement underscores our team's exceptional dedication and capability in managing purchase order contracts for machine parts. Furthermore, we're excited to announce our expansion into a new product line to cater to the requirements of this latest order. By leveraging our expertise in Critical Machined Parts and our commitment to being a solution provider for our esteemed customers, we're enhancing collaboration and adding value to our services, which will ultimately strengthen our position in the market."*

With the strong support of our partners and a steadfast commitment to excellence, we are well-prepared to meet the evolving demands of the automotive sector. I extend my heartfelt gratitude to our outstanding team, esteemed clients, and trusted partners for their unwavering support. We will embrace new opportunities together, overcome challenges, and continue working towards a successful future."

About Kranti Industries Limited (BSE: 542459):

Kranti Industries Limited (KIL), a BSE-listed entity with IATF 16949:2016 and ISO 9001:2015 certifications, established in 1981, boasts over four decades of expertise in the auto ancillary sector. Renowned for its precision component manufacturing, the company holds a global standing for delivering top-notch solutions. Specializing in crafting innovative components for leading OEMs in the Tractor, Construction Equipment, automotive, and Electric Vehicles domains, KIL offers end-to-end services.

With three state-of-the-art units across Pune, KIL operates with 80 production machines and comprehensive inspection setups. Their facilities are equipped with world-class machining centers, including multi-axis machining centers, CNC turning, vertical turret lathes, horizontal machining centers, and vertical machining centers.
