Thanking you.

For and on Behalf of the
KRANTI INDUSTRIES LIMITED

SHRADDHA NANDKUMAR PHULE
Company Secretary & Compliance Officer
Membership No.: A67126

Kranti Industries Limited has achieved a significant milestone by securing both ISO 14001:2015 and ISO 45001:2018 certifications, demonstrating its commitment to sustainability and safety excellence.

10th March 2025, Pune: Kranti Industries Limited, a trusted leader in precision component manufacturing, is proud to announce that it has been certified with the prestigious international standard certifications ISO 14001:2015 an international standard for Environmental Management Systems (EMS). It helps organizations improve their environmental performance by reducing waste, conserving resources, and minimizing environmental impacts. ISO 45001:2018 is an international standard for Occupational Health and Safety (OH&S) Management Systems. It enables organizations to provide a safe and healthy workplace, prevent work-related injuries and illnesses, and promote a culture of health and safety. The company has successfully cleared all the audits by Quality Austria Certification GmbH and they have awarded the certifications to the company.

Kranti Industries' commitment to excellence is evident in its latest milestone, demonstrating a deep-seated passion for protecting the environment, ensuring employee safety, and fostering a responsible work culture that benefits both people and the planet.

Significance of the Certifications:

- **ISO 14001:2015** – Demonstrates Kranti Industries' dedication to sustainable operations, efficient resource management, and compliance with environmental regulations.
- **ISO 45001:2018** – Ensures a safe and healthy workplace for employees by mitigating risks, reducing workplace hazards, and fostering a culture of safety.

Commenting on this achievement, Mr. Sachin Subhash Vora, Chairman & Managing Director of Kranti Industries Limited, said *"We are honoured to receive these certifications, which underscores our steadfast dedication to a triple-bottom-line approach, prioritizing environmental stewardship, employee well-being, and workplace safety while promoting a culture of responsibility and sustainability. At Kranti Industries, we continuously strive for operational excellence while ensuring that sustainability and workplace safety remain at the core of our business practices.*

We extend our heartfelt gratitude to our stakeholders for their unwavering support in achieving this milestone. Kranti Industries remains focused on driving continuous improvement, innovation, and compliance with international quality standards to deliver superior solutions to its clients and partners."

About Kranti Industries Limited (BSE: 542459):

Kranti Industries Limited (KIL), a BSE-listed entity with IATF 16949:2016 and ISO 9001:2015 certifications, established in 1981, boasts over four decades of expertise in the auto ancillary sector. Renowned for its precision component manufacturing, the company holds a global standing for delivering top-notch solutions. Specializing in crafting innovative components for leading OEMs in the Tractor, Construction Equipment, automotive, and Electric Vehicles domains, KIL offers end-to-end services.

With three state-of-the-art units across Pune, KIL operates with 80 production machines and comprehensive inspection setups. Their facilities are equipped with world-class machining centres, including multi-axis machining centres, CNC turning, vertical turret lathes, horizontal machining centres, and vertical machining centres.
