## **Kranti Industries Secures Approval to Begin Commercial Production for Gearbox Housings from Bonfiglioli Transmission**

**14<sup>th</sup> July 2025, Pune:** Kranti Industries Limited, a trusted name in precision component manufacturing, is proud to announce that its gearbox housing samples submitted in April'25 have been approved on the First Time Right attempt by Bonfiglioli Transmission Private Limited, a global leader in gearmotors and drive systems. This approval authorizes Kranti to begin full-scale commercial production.

With approval secured, the company is now preparing to scale production in line with Bonfiglioli's demand forecasts, further strengthening its role as a reliable partner to global OEMs. The successful validation reinforces Kranti Industries' capability to supply high-precision machined components tailored for industrial engineering and renewable energy applications.

### **Order Highlights:**

- This milestone represents a significant advancement in Kranti's partnership with Bonfiglioli Transmission, highlighting the company's robust engineering expertise, stringent quality assurance systems, and consistent commitment to delivering high-performance solutions that exceed customer expectations.
- **Key Highlights:**
  - **Customer:** Bonfiglioli Transmission Private Limited
  - **Product:** Heavy Duty Gearbox Housings Segment
  - **Status:** Samples Approved in First Attempt (First Time Right), Cleared for Commercial Production
  - **Order Value:** ₹6.84 crore (Annual, approximately)
  - **Segment:** New Product Category for Kranti Industries

### **Strategic Significance:**

- This development aligns with Kranti Industries' vision to expand into complex, value-added products and strengthen global partnerships.
- The company remains focused on engineering excellence, scalable production, and delivering high-performance solutions across industrial, mobility, and renewable energy sectors.

**Commenting on these developments, Mr. Sachin Subhash Vora, Chairman & Managing Director of Kranti Industries Limited, said,**

*"This strategic collaboration with Bonfiglioli, a name synonymous with innovation and precision, marks a proud moment for us. Securing First Time Right approval reflects the skill and dedication of our technical team as well as the strength of our infrastructure. We remain committed to delivering performance that exceeds expectations and to fostering a long-term, value-rich partnership.*

*Entering the heavy-duty gearbox space reflects our growing expertise and readiness for complex industrial needs. This partnership supports our strategy to expand into high-performance niches while deepening strategic ties. We remain focused on core strengths, innovation, and delivering sustainable, value-driven growth for our clients, partners, and stakeholders."*

**About Kranti Industries Limited (BSE: 542459):**

Kranti Industries Limited (KIL), a BSE-listed entity with IATF 16949:2016 and ISO 9001:2015 certifications, established in 1981, boasts over four decades of expertise in the auto ancillary sector. Renowned for its precision component manufacturing, the company holds a global standing for delivering top-notch solutions. Specialising in crafting innovative components for leading OEMs in the Tractor, Construction Equipment, automotive, and Electric Vehicles domains, KIL offers end-to-end services.

With three state-of-the-art units across Pune, KIL operates with 80 production machines and comprehensive inspection setups. Their facilities are equipped with world-class machining centres, including multi-axis machining centres, CNC turning, vertical turret lathes, horizontal machining centres, and vertical machining centres.
